TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said East Kingston on Tuesday, the fourteenth day of March, next at two of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
4. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for the maintenance of the Fire Department, and any surplus not used for maintenance be set aside for a fire truck fund.
4. To see if the Town will vote to raise and appropriate the sum of $200.00 for Forest Fire Department to purchase needed equipment.
6. To see if the Town will vote to raise and appropriate the sum of $224.27 against the State appropriation of $1,495.15 for Class V Road Assistance.
7. To see if the Town will vote to raise and appropriate the sum of $150.00 to be used in con-

junction with State and Federal funds for the control of White Pine Blister Rust in woodlands.

8. To see if the Town will vote to raise and appropriate the sum of $500.00 for the purchase and installation of a police radio.
9. To see if the Town will vote to raise and appropriate the sum of $500.00 to repair fire wells, also to discontinue and fill the one by Post Office and the one on Route 107-A, following recommendation of Fire Department Committee.
10. To see if the Town will vote to raise and appropriate an additional $100.00 for Library expenses.
11. To see if the Town will vote to raise and appropriate the sum of $850.00 to paint and make necessary repairs to interior of the Town Hall.
12. To see if the Town will vote to accept the reports of the Town Officers and Auditors as printed in the Town Reports.
13. To transact any business that may legally come before this meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord ninteen hundred and sixty seven.

Report of the Forest Fire Warden and District Chief

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595

forest fires on this area and restricted acreage burned to 395 acres . . . a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a.m. and 5:00 p.m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important - Instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT
FOREST FIRES

ACTIVITIES OF THE FIRE DEPARTMENT FOR 1966

We held 20 training meetings, a total of 80 hours and 2 men attended Fitzwilliam Fire School.

A state instructor held courses for seven weeks on operation of pumps.

We also burned 30 acres on request.

Someone is in the Fire House every day to make sure the equipment is ready for immediate use.

I'd like to thank all the men for their fine co-operation during the year.

Respectfully submitted,
ROBERT BELCHER,
Chief

Report of the Superintendent of Schools

Raymond A. Hoyt

To the School Board of East Kingston, N.H.

I am pleased to submit my nineteenth annual report as Superintendent of Schools. I express my sincere thanks to each member of the East Kingston School Board, teachers, supervisors, and the citizens for their continued cooperation and support during the year.

The school year 1966-1967 opened with the following teaching staff:

Mrs. Margaret Tilton, Principal, Grades 3-4

Mrs. Judith Swanson, Grades 5-6

Mrs. Blanche Loch, Grades 1-2

Mrs. Eleanor Henry, Music

Mrs. Virginia Holder, Nurse

Harold Matava, Handwriting

Mrs. Judith Swanson replaced Mrs. Rita Jackson as teacher of grades 5-6.

The enrollment as of December 23 was as follows:

Grade 1—15	Grade 4—15
Grade 2—18	Grade 5—16
Grade 3—9	Grade 6—13

This is a total of 86 as compared to 76 on a corresponding date a year ago.

Under Title II of the Elementary and Secondary Education Act of 1965, the Supervisory Union was allocated about $8,000.00 for the purpose of purchasing library books and materials and audio-visual materials. The emphasis was placed on library and classroom selections of books and film strips last year. The East Kingston schools received their share of these materials which by law have to be shared by all schools in the Union periodically. This year more library books with Title II funds will be purchased as well as sets of maps for use in the classrooms. The Trustees of Brown's Academy have purchased a set of movable library shelves and it is hoped that in the near future a school library may be started.

The tuition rates for 1967-1968 as approved by the State Department of Education and announced by the Exeter School Board are as follows:

Estimated Per Pupil Cost for 1966-1967

Senior High students	$546.62
Rental charge	28.38
	$575.00
Junior High students	$487.23
Rental charge	46.77
	$534.00

These estimated per pupil costs compare with the state average per pupil costs of $589 for high school and $518 for junior high school for 1966-1967 exclusive of rental charges.

The AREA School Plan for Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham for the pupils of grades 7-12 went into effect

on July 1, 1966. The first meeting of the AREA Advisory Committee was held in October and another meeting is scheduled for February. Mrs. Eva Smith was elected chairman of this committee.

The AREA Junior High School was voted by the Exeter School District in March, 1966, and construction of the $1,425,000 building was started the last of August. There is every reason to believe that the building will be ready for occupancy in September, 1967.

Mr. Frederick King, Teacher Consultant for Supervisory Union No. 16, explains some of the work which he is doing in the area of curriculum as follows:

We are at the begining of the new period in the teaching of social studies. The sophisticated ideas and methods of the social scientist are deemed accessible to the child from six to twelve years old — providing they are developed in words and situations that the child is able to handle on his own.

Last year a workshop for teachers was held in social studies education and an in-service course from the university was conducted in Exeter. Since then the State Department of Education has produced a guide called NEW VIEWPOINTS IN SOCIAL STUDIES FOR NEW HAMPSHIRE SCHOOLS, K-12.

In this Union this fall the formal study of our social studies program was begun. A curriculum study committee was established consisting of eight members from various towns in the union with the teacher consultant as chairman. Each of the committee members in addition to representing our towns also was chosen so that each grade level was

represented. Each member then acts as a chairman for her grade level when each grade holds a discussion.

In addition to this, an advisory committee consisting of the principals of each school in the union, the teacher consultant and the head of the social studies department at Exeter High School will work closely with the general committee to read, review and evaluate the material and progress.

Curriculum planning is a many step process. One does not change a school program without a complete study of the existing program and the possibilities for the future. The present general committee is discussing a philosophy, determining objectives, selecting concepts to be taught, planning learning experiences, examining grade by grade content, looking at the total program sequence, selecting appropriate materials, finding ways to evaluate the program once it is underway, and in the end to have a written guide available for each teacher in social studies teaching for the schools of School Union No. 16. Each of these steps deserves lengthy consideration but space does not permit it.

We have a long way to go, and many hours will be spent in this task. We must search, however, for an education that prepares children to cope with a social world radically different from the one that exists at present. To this aim each teacher joins me in this important curriculum work. We are attempting each year to examine a different curriculum area so that we never remain static. Education is a "changing scene" and as our society changes so must our school program.

Scholarship awards for the school year 1966-

1967 were presented by the Trustees of Brown's Academy to Beverly West and Susan Branagan who were graduated from Exeter High School.

Any interested senior who desires a scholarship for next year should make application to Mr. Walter Evans, Chairman of the Board of Trustees, or to the Superintendent of Schools.

As you read these reports on the past school year, please remember that they are your story as much as they are ours. Without the cooperation of parents and the community as a whole none of this would have been possible.

Respectfully submitted,

RAYMOND A. HOYT

School Health Report

To The Superintendent of Schools:

The School Health Service is designed to serve the physical and emotional needs of all children in the school system — collectively and individually; and to promote an awareness among parents of these needs and of available help through this department. The School Nurse offers leadership and guidance to the development and maintenance of the health program.

Our Health services this year have not varied greatly from those offered during the 1965-66 school session as outlined in the previous year's report. Pre-school children in East Kingston were invited to attend the Lazy-eye clinic sponsored by the Lions Club, thus enriching appreciably our vision screening program.

Classroom Physical Fitness exercises have been introduced and carried out on the primary and intermediate levels with the use of rhythm records. The dental hygiene clinic was sponsored by the Home Demonstration Evening Group.

I wish to express my sincere appreciation for the generous help of individuals and organizations during the past year.

Respectfully submitted,

Report of the Music Supervisor

To the Superintendent of Schools:

Participation by the pupils in various musical experiences made up the school music program for 1966.

These experiences included ear-training, rhythmic activities, use of rhythm band instruments, the playing of tonettes and the auto-harp, learning the fundamentals of music, note-reading, part singing, singing-games, and folk and square dancing.

In addition to the preceding activities, a new method, "Threshold to Music" by Mary Helen Richards has been introduced into the school. This method is taught with charts and has proved to be very stimplating to the pupils and teachers alike.

"Threshold to Music should be effective in building a wholesome attitude toward music, in providing a great variety of valid musical experiences, and in developing significant reading skills in music."

A program, "Christmas in Hawaii," was presented by Mrs. Swanson's pupils on the Wednesday prior to the Christmas vacation. We were all happy to have a large number of the parents present.

In closing, I wish to thank Mr. Hoyt, the East Kingston School Board, the Parent Teachers Association, Mrs. Tilton, Mrs. Loch, Mrs. Swanson and the parents for their cooperation throughout the year.

Respectfully submitted,
ELEANOR P. HENRY

Supervisory Union No. 16 Class

To the Superintendent of Schools:

Union No. 16 Class has the state maximum number of fifteen students — nine boys and six girls — with a waiting list from all grade levels. We are attempting to fulfill the needs of the children whose requirements and lacks vary. The range this year is wide, extending from those who have no reading ability to those who are able to work effectively at the fifth and sixth grade levels.

Students, in many instances, are integrated in the regular grades in social studies, science, music and physical education. Many of these boys and girls will regain regular classroom status with some additional help. Volunteers would be greatly appreciated.

Field trips and Boy Scouts again enrich our program. Two Emerson School students are giving their Wednesday afternoons to help the boys.

The ever-increasing need for more resource classes and the wishes of parents to have their children receive help and tutoring indicate another class in the near future.

Respectfully submitted,
MARIAN R. WEBSTER
